

The LGR Group

Company Profile

Established in 1985, The LGR Group is a 100% minority-owned, independent, full-service leasing company and authorized reseller. We have established strategic alliances with leading manufacturers of personal computers, copiers, printers and related peripherals. We provide numerous lease financing options, including bundling for domestic and international business transactions.

Our goal is to provide a world-class customer/supplier relationship with cost-effective technology and financial solutions that reduce your vendor base while increasing profitability and fulfilling your diversity goals.

The LGR Group has five affiliates:

- Lease Group Resources
- Automated Office systems (AOS)
- LGR International
- LGR Graphics
- Legal Eagle Reproductions
